

**Lomega Public Schools**  
**ARP ESSER III Spending Plan**

**Part 1: Strategies for Prevention and Mitigation of COVID**

*The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in person learning.*

COVID-19 and its variants have brought many challenges to Lomega Public Schools, but we are proud to have implemented safety measures that allowed us to keep our schools fully open during the 2020-2021 school year with only occasional school virtual days for deep cleaning and staff adjustments for the continuity of all school services.

As a recipient of this federal funding Lomega Public Schools has been in meaningful consultation with stakeholders through in-person collaboration and public comments emailed to Steve Sheiver at shievers@lomega.k12.ok.us to develop a plan for the use of the ARP-ESSER III funds. The district will continue regular consultation with stakeholders and will utilize the funds to *prepare, prevent, and respond* to COVID-19 as it relates to students’ academic growth; students, staff, and families’ social and emotional well-being; and students, staff, and families’ health and safety. The following strategies/items have been identified as needs for Lomega Public Schools to continue to effectively serve our students, even in the event of the pandemic lingering into the 2021-2022 school year.

<b>ESSER III Project</b>	<b>Strategy/Item for Prevention &amp; Mitigation</b>	<b>3 Year Budget Funding</b>
Sanitization and cleaning supplies	For deep cleaning to prevent the virus from spreading	\$35,000

**Part 2: Strategies for Addressing Learning Loss**

At least 20% of the ARP ESSER III budget is required to be spent in this area.*
